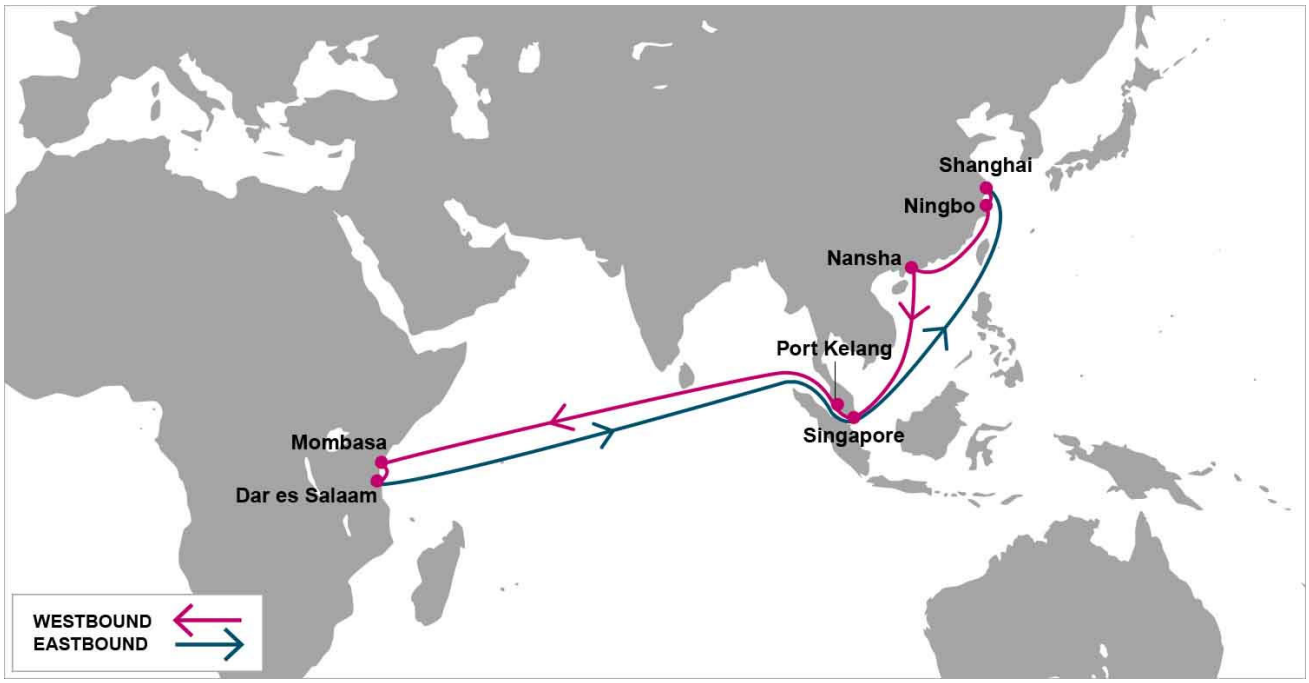
ONE adds new EAF service directly connecting Asia and East Africa

<15th March 2021, Singapore> - Ocean Network Express (ONE) is pleased to unveil a new addition to our extensive service network connecting Asia and East Africa. The new EAF service will complement our existing Asia-East Africa services (EA1/EA2), and provide a direct service to Kenya and Tanzania, giving customers additional service options and greater flexibility in this growing market. The EAF service starts from the sailing arriving at Shanghai on 31st March 2021.

The EAF service rotation is as follows:
Shanghai – Ningbo – Nansha – Singapore – Port Kelang – Mombasa – Dar es Salaam – Port Kelang – Singapore – Shanghai (Weekly frequency)



This new service will increase ONE's presence in the African market, as we continue to offer excellent, reliable and efficient transport solutions.
