ONE Tech Stop Vietnam presented gifts and conducted a dental care workshop for disadvantaged children

On 13 & 14 Apr 2022, more than 30 Magentians from ONE Tech Stop Vietnam went on a charity trip to Tak Roi Village, a mountainous area in Quang Nam province. Having suffered severe damage from flash floods 2 years ago, the people in the province suffer from extreme poverty.

ONE Tech Stop Magentians, brought along gifts, donated by the staff, for the children and households in Tak Roi village. The sponsored gifts include student bags, student uniforms, farming equipment and more.

They also conducted a dental workshop for the children to share about oral hygiene with demonstrations on teeth brushing.
