ONE Launches Joint Services Between Asia and South America

ONE is proud to announce our new Joint Service with Hapag Lloyd, Mediterranean Shipping Co and Hyundai Merchant Marine and form three new services connecting major Asia ports with the west coast of Mexico, Central America and South America. The new product offering will provide the market with industry leading competitive transit times and reliable on-time service between Asia and the west coast of Latin America. The first sailing of each loop will be in week 14 from Asia.
