

ONE's Five Senior Executives in Regions are Ready to Go Forward Strongly as ONE

-Help enhance the global ties, meet customers' needs in regional markets and strengthen the ONE brand-

April 3, 2018 – Singapore – Ocean Network Express Pte. Ltd. (“ONE”) is pleased to announce that five senior executives in regions, including East Asia, South Asia, Europe and Africa, North America and Latin America are ready to drive their designated regions forward, build on its potential and realize its intrinsic value in order to precisely meet customers' needs and strengthen the ONE brand in regional markets.

"To be a truly global organization and shipping line, ONE believes its work force should have people with international orientation, outlook and background to ensure the service quality that we give is really supporting the global trade and more importantly, to make sure that ONE can really come across as one team globally to service the customers," said Mr. Jeremy Nixon, Chief Executive Officer of ONE. "These regional executives bring to us their diverse experience and will significantly contribute to the operations and business growth of ONE globally."
