Ocean Network Express Pte. Ltd.

## **ONE launches “COOLvantage” at ASIA FRUIT LOGISTICA in Hong Kong, 5 - 7 September 2018**

**27 August 2018 – Singapore** - Ocean Network Express Pte. Ltd. (ONE) will participate for the first time, in [Asia Fruit Logistica 2018](#), held at AsiaWorld-Expo in Hong Kong, from 5 - 7 September 2018.

Exhibiting in Asia Fruit Logistica - Asia's leading exhibition for fruits and fresh produce, ONE's global reefer experts look forward to having interaction opportunities with fruit producers, exporters and/or importers, and learn how we can value add more towards meeting our customer's diversified needs for the transport of perishable cargo. ONE's CEO Mr. Jeremy Nixon will also participate in Cool Logistics event as a panel speaker and share his thoughts regarding current and new challenges affecting the perishable cold chain.

Emerging from the legacy of three leading Japanese liner companies, ONE is currently one of the top global carriers in containerised reefer market. ONE has one of the largest and youngest reefer fleets in the world, equipped with the most advanced technologies designed to handle perishable cargo demand. Having recently ordered 14,000 new reefer containers with cutting edge technology, ONE has reinforced its commitment to providing industry leading transport solutions for perishable cargo trade.
