Fumigation requirement for import cargos into New Zealand & Australia to reduce Brown Marmorated Stink Bugs (BMSB) risk

Dear Valued Customer,

New Zealand Government - Ministry of Primary Industries and Australian Government - Department of Agriculture and Water Resources have announced the requirements of pre-fumigation for all container shipments exported from countries listed in below table, to protect against Brown Marmorated Stink Bugs (BMSB). Please find more details as follows.

With immediate effect: Applies to cargo shipped from 1stSep 2018 to 30thApr 2019 (origin vessel arrival basis)

[Applicable export/import country pairs]

Export countries	Import countries
France	NZ/AU
Georgia	NZ/AU
Germany	NZ/AU
Greece	NZ/AU
Hungary	NZ/AU
Italy	NZ/AU
Romania	NZ/AU
Russia	NZ/AU
Unites States of America	NZ/AU
Austria	NZ
Bulgaria	NZ
