Dear Valued ONE Customer,**FP2: MV ONE AQUILA 0011E/W**

As per our Customer Advisory dated October 30, 2020, MV ONE AQUILA suffered collapsed containers due to severe weather conditions while the vessel was enroute to her next port of call, Long Beach.

Considering the vessel situation and various factors, the latest plan for the vessel is to divert to the port of Tacoma to do her survey and re-work of the collapsed containers, subject to authorities' approval. Currently, the vessel is proceeding to the Port of Tacoma, with ETA 6 November.

This is only the interim report of the progress and ONE will be advising all customers regarding those plans as they are concluded in due course.

We regret the inconvenience caused and thank you for your understanding in this regard. Should you have any questions or concerns, please contact your sales account representative for additional information.

Sincerely,
Ocean Network Express Pte. Ltd.
