ONE Enhances Middle East/Indian Subcontinent – Europe Services

<16 December 2020, Singapore> – Ocean Network Express is to enhance weekly services between Middle East, Indian Subcontinent and Europe effective from January 2021 to deliver a more efficient and comprehensive service network.

IOS – Indian Ocean Service

Jebel Ali – Karachi – Nhava Sheva – Hazira – Mundra – Jeddah WB – Tangier – Rotterdam – Hamburg – London – Antwerp – Tangier – Jeddah – Jebel Ali

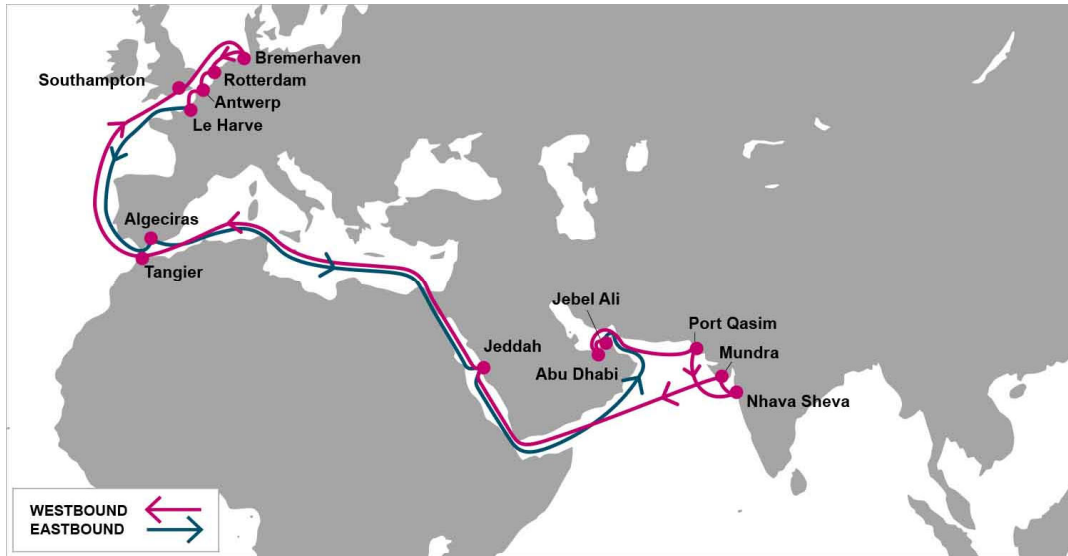

- Operated by Hapag Lloyd and Ocean Network Express
- Revamp of the existing IOS

IO2 – Indian Ocean Service 2

Jebel Ali – Abu Dhabi – Port Qasim – Nhava Sheva – Mundra – Jeddah – Tangier – Southampton – Bremerhaven – Rotterdam – Antwerp – Le Havre – Algeciras – Jeddah – Jebel Ali

- Operated by CMA CGM and COSCO Shipping
- New service for ONE to complement the service enhancement

IOS and IO2, as dedicated services between Middle East, Indian Subcontinent and Europe will offer competitive transit times and provide more service frequencies in the market. By including Tangier and Algeciras port calls, Ocean Network Express will also offer diverse solutions to customers.

For further information about the service, please contact our office for more details.
