**Dear Valued ONE Customer,****AL5: Customer Advisory - NYK Delphinus 0086W/E**

Further to our Customer Advisory dated May 15, 2021, it has been confirmed that NYK Delphinus has safely berthed at Berth #22 in Oakland, on or around May 17, 2021, 2000 hours, after encountering a fire in engine room on May 14, 2021, which is now under control.

At this juncture, the vessel is only permitted to be at Berth #22 for the vessel inspection. Full investigations are ongoing in close cooperation with all relevant authorities. It is expected to take some time for further inspection and possible repairs before any cargo operations can be allowed to take place.

This is the interim report of the progress and more information will be provided as it becomes available. We will update her schedule when more information is available.

We regret the inconvenience caused and thank you for your understanding in this regard.

Sincerely,  
Ocean Network Express Pte. Ltd.
