Dear Valued ONE Customer,

AL5: MV MOL Emissary 044W

This is to update you that MV MOL Emissary is currently at Los Angeles for inspection and necessary repairs, after the vessel experienced rudder issue while awaiting to berth at Los Angeles. All reefer units onboard are working and are being monitored regularly.

We are currently waiting for the vessel owner's assessment of the vessel condition and will advise further regarding her schedule and cargo arrangements once more information is available.

We regret the inconvenience caused and thank you for your understanding in this regard. Should you have any questions or concerns, please contact your sales account representative for additional information.

Sincerely,
Ocean Network Express Pte. Ltd.
