## Ocean Network Express brings it all together in the ONE eCommerce Platform

**<11th May 2022 – Singapore>** Ocean Network Express (ONE) has announced the launch of its refreshed eCommerce platform, which has been developed to enhance the customer's journey with a more personalized and engaging user experience.

The platform provides enhanced user interface features to improve ONE's customer's interaction, and experience. It links the various features offered by ONE, empowering customers to conduct all their activities within the integrated platform. In the coming months, ONE will continue to enhance various other aspects of the application from schedule enquiries to its cargo release process.

Sundeep Sibal, Global Commercial and Service Management, Senior Vice President at Ocean Network Express (ONE) commented "ONE's eCommerce plays a pivotal role in customer-facing applications. Our on-going focus is to create an intuitive and customer-friendly eCommerce platform with ease of transaction, whilst providing improved visibility to enhance the customers overall shipping experience with ONE."

### **About Ocean Network Express**

Ocean Network Express (ONE) was incepted on July 7, 2017, following the liner service integrations of Kawasaki Kisen Kaisha ("K" LINE), Mitsui OSK. Lines (MOL) and Nippon Yusen Kaisha (NYK). ONE is the world's sixth-largest container carrier with an approximately 1.59 million TEU fleet size. Operating more than 220 vessels, it offers an expeditious and reliable international network of over 130 services to 120 countries and beyond. The new entity functions from its global headquarters in Singapore, supported by regional headquarters in Hong Kong, Singapore, the United Kingdom, the United States and Brazil. ONE is a member of THE Alliance (THEA), a global ocean carrier consortium.
