ONE Ghana Runs for a Cure

On 29 October 2022, 1300 people took part in a 5km fun walk/run held at the Lincoln Community School in Accra, to raise money for breast cancer screening and breast cancer awareness in Ghana.

Apart from taking part in the walk/run, ONE Ghana is proud to be a Bronze Sponsor for the organization and we were recognized with the "Corporate Sponsorship Award" for 2022.

ONE Ghana's support will allow RFCA Ghana to maintain their yearlong educational and mass-screening campaigns as well as fund the Survivor's Treatment Fund, so that economically-challenged women diagnosed with breast cancer can seek and have access to immediate treatment.
