ONE North America: Making Strides Against Breast Cancer as ONE

ONE North America collectively walked the walk in the American Cancer Society's Making Strides for Breast Cancer 5K organized at various locations around the United States. Our ONE NA colleagues rallied their customers, family, and friends, to help the American Cancer Society fund efforts to raise awareness, advance cancer research, and provide patient support to those who are currently fighting breast cancer.

Ahead of the walks, ONE Lombard office took further strides towards the cause, with their "Pink Diamonds & Divas" team doubling the initial fundraising goal for this year.

ONE North America continues to support the breast cancer patient community through our participation in this yearly event.
