ONE Terminal Run at Gdynia, Poland Returns for the 3rd Year

On 25 Jun, the Port of Gdynia opens its doors to nearly 1,000 participants for the *ONE Terminal Run*, a unique event that offers an insider look into GCT terminal's infrastructure and operations.

Now in its 3rd rendition, beneficiaries of the *ONE Terminal Run* for this year includes *Cool-awi* (an association for people with disabilities); and Primary Schools in Gdynia (to support the installation of sensory room equipment for neuro-divergent and autistic children).

This also marks the first edition of *ONE Terminal Run KIDS*, held at Gdynia Hutchison Ports.

We'd like to thank our partners, co-sponsors and participants for making this event possible.
