Update on Thailand Indonesia Service Enhancement

Dear Valued Customers,

We are excited to announce enhancements to our Thailand Indonesia service at Ocean Network Express (ONE). Effective immediately and until further notice, we are implementing the following improvements:

Thailand Indonesia Service (TID1) Updates:

Effective Vessel: MV Bridge v.0305 (ETA Laem Chabang 10th July)
Port Rotation: LCH - PKG(NP) - JKT - PKG(WP) – LCH

This adjustment is aimed at preserving service reliability, which remains our top priority. We believe this change will significantly enhance convenience for you, our esteemed customers.

At ONE, we are committed to expanding our transportation services, ensuring comprehensive coverage, and continuously improving service quality for our valued clients.

For any inquiries or further information, please do not hesitate to reach out to your dedicated sales account representative or our Customer Service desk.

Thank you for your continued trust and partnership.

Yours faithfully,
Ocean Network Express Pte. Ltd.
