

NEW RAIL AND SEA SOLUTION IN INDIA

GREATER CONNECTIVITY

BETWEEN WEST BENGAL AND AFRICA, NORTH EUROPE/MED., US

Key service highlights:

- Fixed-day rail departure from Balmer Lawrie CFS, Kolkata (Wednesday cutoff, Thursday departure).
- Time-sensitive export cargo from Kolkata and Haldia are expedited via direct rail shipment from the Kolkata CFS to mainline vessels at Nhava Sheva.
- Import cargo is discharged at Nhava Sheva and railed to Kolkata CFS.
- Weekly coverage serving Africa, Mediterranean and North Europe.
- Weekly direct connection to USA East Coast and West Coast on WIN and PS3 services.
- Premium service with faster transit times, achieved by eliminating transshipment delays at key ports (Singapore, Port Kelang, Colombo) and significantly improving point-to-point transit time and schedule consistency for both exports and imports.
