Dear Valued ONE Customer,

**AL5: MV MOL Emissary 044W**

This is to inform you that MV MOL Emissary, serving in our Trans-Atlantic 5 (AL5) Service, experienced rudder issues while awaiting to berth at Los Angeles. The vessel is currently assisted by the tugboat to move into inner anchorage in Los Angeles for further inspection before her berthing. All reefer units onboard are working and are being monitored regularly.

We are currently waiting for the vessel owner's assessment of the vessel condition and will advise further regarding her schedule and cargo arrangements once more information is available.

We regret the inconvenience caused and thank you for your understanding in this regard. Should you have any questions or concerns, please contact your sales account representative for additional information.

Sincerely,  
Ocean Network Express Pte. Ltd.
