

January 5, 2022

Dear Valued ONE Customer,

AL5: MV MOL Emissary 044W

Further to our Customer Advisory dated December 31, 2021, MOL Emissary is in Los Angeles for inspection and necessary repairs, after experiencing rudder issue.

The vessel is currently expected to berth at Yusen Container Terminal (YTI) in Los Angeles for cargo discharging operations on or around January 6, 2022, subject to change. Subsequently, the vessel is to proceed for necessary repairs before departing Los Angeles and continue with her voyage.

All cargoes including reefer units onboard are working and are being monitored regularly.

Further details regarding the vessel's schedule will be provided later as it becomes available.

We regret the inconvenience caused and thank you for your understanding in this regard. Should you have any questions or concerns, please contact your sales account representative for additional information.

Sincerely,
Ocean Network Express Pte. Ltd.
