

Ocean Network Express Sri Lanka Intermodal Service:

Your Comprehensive User Guide

Streamline your import and export (EXIM) shipments across Sri Lanka with our efficient and convenient intermodal service. This guide will walk you through the process, ensuring a seamless experience from booking to delivery.

Service Overview

ONE's intermodal service in Sri Lanka offers comprehensive nationwide inland coverage to and from Colombo Port. We handle both outbound (export) and inbound (import) shipments, providing a single point of contact for your container transportation needs.

Key Features:

- **Nationwide Coverage:** Inland service extends across all of Sri Lanka.
 - **Container Types:** 20DV, 40DV, 40HC.
 - **Bill of Lading (BL) Terms:** DR/CY, CY/DR.
 - **Insurance Options:** Coverage for goods in transit available.
 - **Transparent Terms:** Specific terms and conditions are provided upon rate finalization.
 - **Local Tariff Information:** Detailed local tariffs can be found [here](#).
-

Booking Your Intermodal Shipment

Initiating your intermodal booking is straightforward through the ONE e-Commerce portal.

1. **Access the ONE e-Commerce Portal:** Log in to your account.
2. **Select Service Type:** When making your booking, choose the "Door - CY/CY - Door" option to leverage the intermodal service.

Outbound Shipments (Exports)

For your export shipments, ONE Sri Lanka Intermodal team ensures seamless empty container placement and efficient laden transport to Colombo Port.

1. Empty Container Requisition:

- To arrange for an empty container at your warehouse or factory, provide a **G Form** to the Ocean Network Express (ONE) Lanka Intermodal team.
- Ensure all necessary details are included on the G Form, aligning with your desired Estimated Time of Arrival (ETA) for the empty container.

2. On-Time Placement:

- Expect to receive your empty container for cargo stuffing **within 24 hours** of your requisition.

3. Laden Transport to Port:

- Once stuffed, the Ocean Network Express (ONE) Lanka team will manage the transportation of your laden export shipment directly to Colombo Port. You do not need to arrange separate transport.

Inbound Shipments (Imports)

For your import shipments, ONE Sri Lanka Intermodal team guarantees smooth transportation from Colombo Port directly to your inland location.

1. Seamless Door Delivery:

- Ocean Network Express (ONE) Lanka takes full responsibility for transporting your laden import shipment from Colombo Port to your designated inland delivery location.

2. On-Time Delivery:

- Receive your laden container directly at your specified door location, ensuring a hassle-free import process.
-

Additional Information

- **Insurance:** Options for cargo insurance during transit are available. Please inquire during the rate finalization process for details.
- **Terms and Conditions:** Comprehensive terms and conditions pertinent to your shipment will be shared once the rates are finalized.
- **Local Tariffs:** For detailed local charges and tariffs, please refer to our official Sri Lanka website: <https://lk.one-line.com/?directly=1>.
