

DATED: 22nd Sept. 2025

**Subject: Compliance with Pre-Submission Regulations for Cargo Data (Manifest)
Arriving at Saudi Arabian Seaports**

As part of the new regulatory requirements announced by the Saudi Ports Authority (MAWANI) in coordination with the Zakat, Tax and Customs Authority (ZATCA), please be informed of the following important update regarding **Manifest Pre-Submission Regulations**:

- Submission of loaded cargo data and manifest information to **Saudi Customs via the FASAH platform** is required prior to vessel arrival at Saudi seaports.
- The submission deadlines are as follows:
 - **For distant ports:** Not less than **72 hours before actual vessel arrival**.
 - **For nearby ports:** Not less than **24 hours before actual vessel arrival**.
 - **For voyages shorter than 24 hours:** The manifest may be submitted **any time before actual vessel arrival**.
- These regulations will be **effective from October 29, 2025**.
- Non-compliance will be subject to monitoring, and regulatory measures including **finances will be imposed for any late submission done after the cut-off**.

We kindly request all offices to ensure timely and accurate submission of manifests (BDR completion) in accordance with these requirements to avoid any shipment delays or penalties.

We appreciate your cooperation and continued support.
