FP1: M/V ONE HENRY HUDSON 095 Incident (Update#1)

Dear Valued ONE Customer,

We regret to advise that mv.ONE HENRY HUDSON was involved in a fire incident on November 21, 2025 at Port of Los Angeles, California, and some containers which are onboard may have been affected.

Presently, the investigation and assessment of the vessel and cargo condition are still ongoing. We are working closely with the relevant authorities, vessel owners, and terminal operators to determine the appropriate next steps.

Our utmost gratitude goes to the first responders and emergency teams on site for their immediate and professional actions.

Further updates will be provided once additional verified information becomes available.

**Sincerely,
Ocean Network Express Pte. Ltd.**
